

You can download the App using the following links [\[iPhone app link\]](#) [\[Android app link\]](#) or by typing IRLA into your App store and looking for the IRLA logo.

The App has lots of useful information that you can access on the go such as:-

- Event Diary (*please note that currently the maps require you enter them, then exit and re-enter for it to work correctly – this is due to a coding issue which we are aware of and doing our best to rectify*)
- All of our bigger events will have their own section as they approach
- News
- Chat Room*
- Contact Details

All this as well as membership information and a button that allows those not already on the IRLA mailing list to add themselves.

Continued on page 2...

THE VOICE OF LEGACY

Representation • Education • Networking

IRLA Congress has its very own button where you will find everything you will need for Congress 2018, including:

- Congress Brochure
- Delegate List
- Online Polling
- Ask the Speaker*
- Discussion Area*

...plus more that will be available for the event such as the speaker biographies, the slideshow, Gala Dinner Seating and the meeting room plans.

IRLA will from time to time send push notifications via the App, so please do look out for these. If you do not currently allow push notifications, these can be found in 'Messages' within the App for future reference.

We would welcome your comments or suggestions with regards to the IRLA App, please use the chat room on the App itself or contact [Secretariat](#).

*You will need to create an account if you would like to use the 'chat/discussion rooms' or the 'ask the speaker' elements of the App – we recommend that you do so by entering your name, email address and creating a password.

The App should update automatically but to ensure that you have the latest information, we recommend closing the App and refreshing the content each time you use it.
