## **Buxbaum Loggia**

Founded in 2000, Buxbaum Loggia provides the insurance and reinsurance industry with a complete source of technical support worldwide. Our experienced team of consultants engages in underwriting services, claim and accounting audits, run-off management, and expert witness reporting and testimony. We maintain excellent relationships with insurance companies, law firms, managing general underwriters and third party administrators, representing clients on five continents.

## **Our Co-Founders**

With almost 40 years of industry experience, Paul Buxbaum is a team leader for professional liability and contract compliance inspections. His responsibilities include commutation support and reinsurance litigation management. Paul holds a Certificate of General Insurance, an Associate in Claims, and is a Chartered Property and Casualty Underwriter, as well as Certified Arbitrator of ARIAS.

Over the past 45 years, Joseph Loggia has developed his expertise as an audit leader of major domestic and international reinsurers and leads commutation teams for cedent and reinsurer settlements. As an expert witness in civil litigation and reinsurance arbitrations, he has been deposed on more than 75 occasions since 1986. Joe is a Certified Arbitrator of ARIAS and a member of the American Bar Association, California Association of Independent Insurance Adjusters, and International Association of Claims Professionals.
