

Quest Group

Quest Group invests and provides professional service to global insurance and reinsurance markets. We operate from many locations across the globe, including London, New York, Zurich, Bermuda, Malta, Gibraltar, Singapore and Japan. Since Quest's inception in 2005, we have grown substantially, now managing over \$500 million of claims liabilities, on behalf of our third-party clients and our own affiliated acquisitions.

We are active buyers of insurance businesses internationally. Our completed investments include:

- Insurance companies
- Insurance portfolios
- Lloyds Corporate capital vehicles
- Lloyds insurance brokers
- Insurance debts
- Insurance consulting businesses

The owners and managers of Quest each have over 25 years' experience in the insurance run-off sector, and we offer specialist solutions across the legacy spectrum including claims management, claims adjusting, commutations, litigation support and arbitration services, asset recovery, board appointments, restructuring and finality solutions.
