# IRLA LINK & LEARN SESSION

## Introduction to the London Insurance Market with a tour of Lloyd's

25 APRIL 2019 / LONDON

### TARGET AUDIENCE

The introduction course will appeal to those who are new to the industry, or who are employed in areas unrelated to the insurance process, such as analysts, accountants, HR, training and facilities. If delegates wish to know more about the insurance product we will talk about this as well as exploring some, but not all, commonly used jargon. Graduates, young professionals and delegates entering from other industries will find this course of value.

By the end of this session, delegates will:

- Have a basic knowledge of the London Market product
- Be aware of the roles of the London Market participants
- Understand the types of and classes of business underwritten
- Have a basic understanding of the historical issues within the London Market
- Recognise the importance of the London Market and how the legacy market fits in

All workshop trainers have many years' practical experience in their professional fields, and their real life practical responses to some of the workshops do's and don'ts will help every delegate. Biographies can be found on the event page of our website.

**COST:** FREE FOR MEMBERS / £125+VAT for non-members. Cancellations can be agreed up to 7 days prior to the event only; please refer to the IRLA Cancellation & Refund policy overleaf.
