# IRLA INTERNATIONAL LEGACY SEMINAR

## An update of international legacy: run-off liabilities and discontinued portfolios

06 March 2019 / COLOGNE

### SUMMARY

This seminar will be an up to date review of international legacy presented by run-off experts with a wealth of experience in this sector.

This session will provide delegates with the following information plus much more:-

- legal update, including secrecy law impact on trans-border transactions, GDPR and European labour law
- the impact of regulators on legacy business and the changing regulatory environment
- best practice approach with regards to commutation
- how the industry sees the portfolio transfers outside of a Part VII transfer

### EQUALITY AND INCLUSION

We foster an inclusive working environment where difference is embraced and where people feel valued and respected. We incorporate equality into our core objectives, making every effort to eliminate discrimination, create equal opportunities and develop good working relationships between different people.

The purpose of the IRLA Academy is to deliver high quality technical insurance and reinsurance training as part of its members' individual learning and personal development programme. Courses will be relevant to all who need to conform to Continuing Professional Development standards and will be available to members internationally. The IRLA Academy programme has accreditation from the CII and is supported by the FCA and PRA.

CII CPD accreditation demonstrates the quality of the learning of the IRLA events programme and confirms that IRLA meets CII member CPD scheme requirements
