

FREE CPD - Minimum 8 hours per year

IRLA YOUNG PROFESSIONALS GROUP

ABOUT US

The IRLA Young Professionals Group (YPG) is a platform for those aged 35 and under (or anyone new to the sector) from all disciplines, working in and with the insurance and reinsurance industry, to network, share knowledge, learn new skills and develop talent.

Our aim is to make an active contribution to the legacy sector by organising regular networking events and providing a series of accredited training sessions which promote:

Peer interaction...

better connecting young professionals and laying the foundations of industry communication for the future.

Personal development...

providing an opportunity to learn and progress within the industry.

Developing relationships...

by interaction in peer groups as well as with more senior members of the market.

Building skills...

providing CPD accredited training sessions to help build both technical and personal communication skills.

BENEFITS OF BEING A YPG MEMBER

As a member you will be entitled to attend the entire YPG programme of events, such as the CPD accredited and free-of-charge 'Link & Learn' training sessions, which provide members with an opportunity to learn about different areas of the market as well as the latest developments. These events are at an introductory level, presented by fellow YPG members and are often followed by networking drinks.

We also run an IRLA-wide mentoring scheme where YPG members can find a mentor within the IRLA community whose attributes or experience may help with immediate or development requirements. Membership also entitles you to be nominated for the annual 'YPG of the Year' award'.

In addition, your membership of the YPG enables you to take advantage of all other IRLA benefits, such as attendance at the free-of-charge Breakfast Briefings and quarterly networking drinks and discounted prices for the annual Congress and IRLA social events such as the New Year Quiz and Crazy Golf. The YPG are encouraged to attend educational and social events with the wider IRLA Group.

MEMBERSHIP
