IRLA YOUNG PROFESSIONALS GROUP

ABOUT US

The IRLA Young Professionals Group (YPG) is a platform for those aged 35 and under (or anyone new to the sector) from all disciplines, working in the re-insurance industry, to encourage connections, share knowledge, learn new skills and develop talent.

Our aim is to make an active contribution to the legacy sector by organising regular networking events and providing a series of training sessions which promote:

- Peer interaction...** better connecting young professionals and laying the foundations of legacy market communication for the future.
- Personal development...** providing an opportunity to learn and progress within the industry.
- Developing relationships...** by interaction in peer groups as well as with more senior members of the market.
- Building skills...** providing CPD training sessions to help build both technical and personal communication skills.

BENEFITS OF BEING A YPG MEMBER

As a YPG member you will be entitled to attend the entire YPG programme of events, including the 'Link and Learn' training sessions, which provide members with an opportunity to learn about different areas of the market as well as the latest developments. These sessions are at an introductory level, presented by fellow YPG members and are often followed by networking opportunities.

We also run an IRLA-wide mentoring scheme where YPG members can find a mentor within the IRLA community whose attributes or experience may help with immediate or future personal development requirements.

In addition, your membership of the YPG enables you to take advantage of all other IRLA benefits, such as attendance at the Breakfast Briefings and quarterly informal get-togethers. Discounted prices for the annual Congress and IRLA team events such as the New Year Quiz and Crazy Golf are on offer; YPG members are encouraged to attend training and social events with the wider IRLA membership.

YPG MEMBERSHIP

Is through your organisation's corporate membership. If you wish to enjoy YPG benefits please ask your IRLA main contact to give us your details.
