

## Quest Group

Through its subsidiary Quest Consulting, Quest Group provides professional service to global insurance and reinsurance markets. We operate from many locations across the globe, including London, New York, Zurich, Bermuda, Malta, Gibraltar, Singapore and Japan. Since Quest's inception in 2005, we have grown substantially, now managing over \$500 million of claims liabilities, on behalf of our third-party clients and our own affiliated acquisitions.

The owners and managers of Quest each have over 25 years' experience in the insurance run-off sector, and we offer specialist solutions across the legacy spectrum. These include:

- Outsourcing
  - Claims management
  - Claims adjusting
  - Insurance insolvencies
  - Reinsurance collections
  - Commutations
- Insurance consulting
  - Claims investigation
  - Litigation support
  - Underwriting audits
  - Claims audits
  - Internal audit
- Financial consulting
  - Portfolio transfers
  - Exit solutions
  - Restructuring
  - Due diligence
  - Schemes of Arrangement
