Key Services

COMMUTATIONS

We work with both ceding companies and reinsurers to assist in the pricing of commutations of reinsurance coverage in relation to run-off business.

INSURANCE BUSINESS TRANSFERS

We act as Independent Expert for Part VII transfers in the UK, and as Independent Actuary for transfers in Ireland. Milliman also served as the Independent Expert for the first insurance business transfer in Oklahoma.

RESERVING FOR LEGACY LIABILITIES

We have extensive expertise in reserving for legacy portfolios, including those with asbestos, pollution and health hazard liabilities.

BUY- AND SELL-SIDE DUE DILIGENCE

We help clients in the valuation of blocks of business or entire entities, for both loss portfolio transfers and company sales. These include modelling and analysis of cash-flow projections, required capital, and expected return on equity.

CLAIMS REVIEWS

We have a dedicated team of claim specialists that review the claims management operations of numerous companies and TPAs to ensure claims are being handled properly and consistently with expectations.
