

Brighton is alive and kicking

Legacy - 20/20 Vision will be taking place in Brighton again this year, but at the new later dates of 23-25 November. If you have already booked, your tickets will be valid for the new dates you do not have to make any changes.

We have sold out of rooms at The Grand, so all new bookings will be offered b&b at Jurys Inn Waterfront. Full event and day tickets are on sale, but the move doesn't give you more time to book as we were already close to selling out. So, don't delay book on-line now or call Catherine on 07464 113651. You can find the latest programme [here](#). We are here to help.

Stay well and safe.
