

IRLA Members Golf Day - 24 September 2020

The course is open!

Some of you may well have taken the opportunity to return to the golf course last week after restrictions were lifted sufficiently. I am literally surrounded by 5 golf courses at home, but I don't play...

Our annual golf day, playing for the Dave Scasbrook Memorial Cup this year, is on Thursday September 24 and we are now taking bookings. The green keeper at Richmond Park Golf Course informs us that the course is in top shape and we are hoping for a similar weather to last year. Please click [here](#) to book.

Please click [here](#) to view the Course's latest Coronavirus Update and FAQs. We will update you regarding the BBQ and numbers as we are made aware.

Meanwhile stay safe and well.
