

IRLA has several CPD accredited videos available to view in its CPD Briefings (website) and Videos (app) and we have lifted the restrictions on them for free access by our membership. Why not take a look? Password is IRLA2020. All videos are 1 hour long and have slides and /or handouts for reference.

We welcome your feedback on any of these as it will help us create future training.

Watch this space for other training opportunities whilst WFH, but we encourage articles, news items and blog entries from all of our members.

Stay safe and well.

Leslie-Ann Giovnilli
