

Change - it is a coming

With the easing of lock down venues are re-opening, and commuting to work for some recommences, albeit with a degree of caution. IRLA took an early decision in March to postpone face to face meeting and our first return to a social function, after 8 months and albeit outdoors, will be the IRLA Golf Day on 24 September. Those of you participating have already told us how much you are looking forward to it.

We continue to carefully assess up-to-date guidelines and are working with partners to deliver appropriate venues and facilities. Work is being undertaken in an effort to promote a seminar in Munich on 10 October, which will be followed by Congress in Brighton on 23-25 November. The end of year Renewal Party will take place on 10 December, replacing the Summer BBQ that usually takes place in July.

We will be reinstating training courses later in the year, some in UK regional centres to support the wider IRLA community outside of the South East. Meanwhile, remember to utilise the services we promote on the IRLA website at 'CPD videos', including video feed and course materials.
