

Fundraising in unusual times

Dear friends and colleagues, we understand that there could have been many appeals to your generosity during lockdown and whilst we don't want to overload you in this regard we felt it timely to remind you of IRLA's work in raising awareness for [Alzheimer's Research UK](#) and [Young Minds](#). Funding for many worthy causes has been badly affected by the pandemic – so rather than simply appeal for money we would like you to consider joining us at one of our activities, maybe the YPG led virtual quizzes, or to be involved in the skydive on 29 September 2020 (please contact us [here](#)).

In looking forward to the IRLA Members Golf Day on September 24 we commemorate well known colleague Dave Scasbrook; his son Josh will present this year's trophy, kindly donated by Swiss Re. Dave was diagnosed with bowel cancer last year and sadly died shortly after Congress. We are hoping to raise funds for the worthy research being undertaken by [Bowel Cancer UK](#) to prevent further deaths from this disease.

IRLA HQ has also been exercising some charitable Feng Shui, decluttering the office (and homes) and through the magic of e-bay and Gumtree turning unwanted 'stuff' into donations for [MIND](#) – feel the power of uncluttered space and give to charity.... what's not to like!

If you are raising funds for a charity close to your heart, or wish to add a story for the charity you support, please contact us [here](#) and we will add a caption to our website.

Stay safe and well.

Leslie-Ann Giovnilli

IRLA Head of Learning and Development
