

IRLA 2020 membership of the legacy community

Dear friends and colleagues,

As many of you remain busy with the life blood of legacy the transactions and the EMEA, as well as looking after your teams working remotely I am appealing to you to keep IRLA membership on your radar, not just for staying connected, but to keep up to date with CPD training and relevant news. We also appreciate that many of you are juggling several other matters of importance and if you have yet to release approval of annual membership renewal to your accounts payable then we would appreciate a couple of minutes of your time to do so.

We would also appreciate a few minutes of your time to complete the annual membership survey, which can be found [here](#). During this Working From Home period we will be able to use the opportunity to study your responses in more depth and prepare a more bespoke service for you and your teams. We also plan to hold Zoom coffee breaks for anyone interested so look out for the invites and feel free to drop in and talk to us if you have a question...

Stay safe and well.
