MANAGING IN-FORCE BUSINESS IN ASIA

IRLA is the UK market body for insurance and reinsurance legacy management professionals. IRLA is recognised as the voice of the legacy management sector by a wide range of government and market bodies including the UK Financial Conduct Authority (FCA), the Prudential Regulation Authority (PRA), the Financial Services Compensation Scheme (FSCS); the Department of Work and Pensions (DWP) as well as the Employers Liability Tracing Office (ELTO). IRLA is also affiliated with several other market associations all the while working with these others to increase benefits to members.

As in-force and legacy business develops in Asia, having a voice as the legacy market, as well as sharing best practice around managing and transacting on legacy business, is becoming increasingly important.

In collaboration with the Singapore Insurance Institute, this event will introduce IRLA and discuss the appetite for creating an IRLA Asia Network to take the market body forward in the region. A face to face seminar will follow in April 2021.

Speakers: Mark Hallam - IRLA Director, Adam Horridge - IRLA Asia Coordinator, Jeanette Lim - SII President
