

Looking Ahead...

Keeping you informed and up-to-date with our activities

As we move swiftly through Autumn and towards the end of the oddity that is 2020, we at IRLA would like to remind you that we are continuing with our support and involvement for our insurance and reinsurance industry colleagues.

Although events have been hugely affected this year, we are looking forward to resuming F2F contact with our members in 2021 and we will also be continuing with our online sessions.

Next Tuesday sees our IRLAASIA online session, in conjunction with the Singapore Insurance Institute. To register click [here](#).

On 2nd of November our intrepid team of fundraisers will be diving through the Suffolk skies in aid of [Alzheimers Research UK](#) and [Young Minds](#), if you would like to support those charities and our brave skydivers please do so [here](#).

Please remember that we are happy to share our members' news and updates, so if you have any news or articles that our members would be interested in, please contact us at secretariat@irla-international.com

In the meantime, keep safe and we look forward to seeing you soon.

Kind regards

Dawn Rutherford
