Dear Leslie-Ann

Further to the recent golf day event held in memory of Dave Scasbrook, I am writing to say thank you for the very generous donation of £500.00 from the Insurance & Reinsurance Legacy Association Ltd towards Bowel Cancer UK's lifesaving work. We are incredibly grateful for your support, especially when we are experiencing significant falls in our income due to the current coronavirus crisis.

As the UK's leading bowel cancer charity, we are determined to save lives and improve the quality of life of everyone affected by bowel cancer by championing early diagnosis and access to best treatment and care. But we can only do so with the generosity of supporters such as you.

Your donation will help support and fund targeted research, provide expert information and support to patients and their families, educate the public and professionals about the disease and campaign for early diagnosis and access to the best treatment and care. This is crucial as over 41,000 people are diagnosed with bowel cancer each year in the UK and it is the second biggest cancer killer.

Thank you again for all your support. Please do not hesitate to get in touch should you need any further information about our work or if you would like to speak about the impact your donation will make.

With very best wishes,

Luke Squires  
Director of Fundraising
