

### Mentorship support from IRLA

IRLA has a mentoring scheme open to all members and during lockdown we are offering the opportunity to join a Teams meeting with one of several of the current mentors for a chat and coffee (bring your own coffee).

Our first mentor is Paul Corver. Paul has recently become the only winner of the IRLA Services to Legacy Award (in 2014) and the AIRROC Person of the Year Award (2020). Paul was co-opted onto the Board of Directors of IRLA (aka ARC) in November 2007 and acted as Chairman until June 2019. Paul is employed as Group Head of Legacy M&A at Randall & Quilter Investment Holdings Ltd. His experience includes both solvent and insolvent run-off management, having been Head of Claims for KWELM, one of the largest insolvencies, and in more recent years the legacy M&A activity at R&Q. Paul manages teams in UK, Europe and Bermuda and deal structures include acquisitions, Part VII and EU transfers, novations and LPTs spread across numerous jurisdictions in Europe, North America and Caribbean. The R&Q team have completed over 110 deals since 2009. Paul has worked on all aspects of deal initiation, delivery and integration.

You can register your interest to talk to Paul [here](#) and we will send an invitation for you to join us.
