Keeping safe - in covid times

Dear friends and colleagues

We recently advised of a change to the Congress 2021 date. In part we did this to give us all the best chance of meeting face to face in a (covid) safe and socially pleasant environment. In fact the Association continues to work on all of our upcoming events with the same aim. We are not planning on making our whole year virtual as the connections and informal discussions that take place at each live event are worth a dozen virtual interactions. We hope you agree.

Each of our event venues have a covid safety policy in place. You can find each one on the relevant event page. We are updating these as we are informed of changes.

The safety and wellbeing of our members, colleagues and staff remain our priority.

Thank you,

Leslie-Ann Giovilli
