## YOUNG PROFESSIONALS GROUP

### Reasons to sign up...

The IRLA Young Professionals Group (YPG) is a platform for those aged 35 and under (or anyone new to the industry) from all disciplines, working in and with the re/insurance legacy sector.

It encourages learning, development and progression and provides networking and social opportunities to connect with like-minded peers. As a YPG member you will be entitled to attend CPD accredited and free-of-charge 'LinknLearn' training sessions. These events are presented by fellow YPG members and are often followed by networking drinks (provide your own drinks just now!)

We also offer an IRLA-wide mentoring scheme where YPG members can connect with a mentor from within the IRLA community whose attributes or experience may help with immediate and/or development requirements.

Full details on the benefits of becoming a YPG member can be found [here](#).

For members who exhibit outstanding qualities, membership also allows you to be nominated for the annual 'YPG of the Year' Award'. Details of how to nominate a young professional who fits the required criteria can be found in the YPG section of our [website](#)

Our YPG Committee comprises 12 enthusiastic and dedicated individuals, all offering something different to the group. Current YPG Chairman - Dan Cordina - is an Assistant Director in Turnaround & Restructuring Strategy at EY, specialising in legacy insurance M&A transactions, portfolio transfers and insolvencies.

The Committee meets regularly to discuss market topics, learning and development, mentoring and events (networking and social).

YPG planned online events for 2021:

YPG Committee Deputy Chairman - Gian Luigi di Franco - is hosting our next 'coffee break' mentor session on 23 February 2021. This is an informal, small group opportunity to chat to Gian Luigi about his background and experience within the re/insurance legacy market. Gian Luigi is a Senior Litigation Associate at RiverStone Management Ltd, Ipswich. Click [here](#) to register for the session (limited places remaining).

A LinknLearn session will also be announced shortly.

Please check our website for a full list of IRLA [events](#).

New for 2021 is the IRLA handbook. The handbook will provide a practical and topical guide and point of reference for those interested in the workings of the legacy market, and will be a useful training tool.

The handbook will be available in Spring 2021.
