

Thank you!

Our skydiving team finally took to the skies yesterday and by doing so have raised a fantastic amount of money for IRLA's chosen charities - [Alzheimer's Research UK](#) and [Young Minds](#).

The current fundraising total stands at £7880.00 but is expected to increase further. If you would like to add your support you can do so [here](#).

Thanks to [UK Parachuting](#) for looking after us and ensuring the experience was safe and memorable. And a big thank you to everyone who has pledged support already.

Well done Team IRLA!
