

YOUNG PROFESSIONALS - reasons to join IRLA

IRLA's Young Professionals Group (YPG) provides members with information, support and development opportunities. As a group they have developed a set of key initiatives:

- Growing the membership
- Learning and personal development
- Mentoring
- Encouraging Ambassador roles
- Regular use of social media for information
- Specific YPG events to grow your network

Each initiative rests with named committee members who have both ownership and responsibility and actively encourage involvement and participation from all YPG members.
