

Two Rivers Six Stunning Wines from Marlborough

Two Rivers Winery was created in 2004 by winemaker David Clouston, having worked several vintages in France and the Americas. He was keen to highlight the amazing fruit of his birthplace Marlborough's Wairau Valley and the Awatere Valley to the south thus Two Rivers. He has come a long way, now recognised as one of New Zealand's top winemakers and Two Rivers a leading brand; The Wine Library has been along on this ride as the first stockist in London. David bought his first vineyard, Brookby Hill in 2016 and finished a new winery in time for the 2018 vintage, things can only get better.

We have chosen a mixed case of six of his best wines, his Riesling, Sauvignon, Chardonnay, Rosé, Pinot Noir and tiny production Syrah.

NB. We will be reopening our wine bar in **Trinity Square on the 17th May**, we can't wait to see you all again, a perfect chance to try some of these fantastic wines and the many new things we have taken on over the last year.

Keep drinking and please keep safe.

Two Rivers Six Wines Stunning Wines from Marlborough

Two Rivers Juliet **Riesling** 2020

The fruit for this lovely just off dry Riesling comes from the lower slopes of David's Brookby Hill Vineyard, picked in the early morning to preserve its freshness.

With a enticing floral nose and a red apple, sherbet lemon and grapefruit palate. The perfect balance of acidity leaves it just off dry and makes it a delight to drink and perfect with Asian spiced food

Two Rivers Convergence **Sauvignon Blanc** 2020

With grapes sourced from five different vineyards in the Wairau Valley and Southern Valleys regions of Marlborough this is always Two River's signature wine. David says the impressive 2020 vintage is his finest to date. The fruit is fermented separately in stainless steel and concrete eggs then

assembled with further aging in concrete eggs, amphoras and stainless steel. The result is restrained yet aromatic with vibrant exotic fruit and a complex mineral freshness and texture.

Two Rivers Clos des Pierres

Chardonnay 2018

David sources this lovely Chardonnay from two vineyards, his own Brookby Hill Vineyard in the high lying Southern valleys region which has clay soils and the stony soiled The Spring vineyard in the Wairau Valley. Whole bunch pressed and fermented in oak using it's natural yeasts. After the malolactic fermentation it rests for a further 11 months in French oak 25% new. A lovely fresh green nut and brioche nose and a creamy yet fresh palate with a long vanilla'ed finish.

Two Rivers Isle of Beauty **Rosé** 2019

Isle of Beauty Rosé is named after Ile de Beauté, the AOC name for Corsica, where David worked for three vintages. He fell in love with France's cool climate fresh rosés and was determined to recreate them back in Marlborough. The result is now one of New Zealand's top selling Rosés, delicate floral and red

fruited nose and a mineral wrapped strawberry and cream palate with lovely balance of acidity. The Strawberry note is continued on the strawberry textured bottle punt. First class.

Two Rivers Tributary **Pinot Noir**

2018

The acquisition of the Brookby Hill Vineyard in the Southern Valley sub region of Marlborough means he now has total control of the fruit he uses for his Pinot Noir. The high lying vineyard has Loess and Clay soils which give good minerality and power to the vines. This impressive Pinot offers dark cherries, strawberries and minerals on the nose and again cherries and strawberries and plum stone freshness and acidity on the palate. This has lots of length and will age very well. Bravo!

Two Rivers Amphitheatre **Syrah**

2018

This really interesting Syrah comes from the warmest site on David's amphitheatre like Brookby Hill vineyard. This micro terroir sun trap allows the ripening of the small berried thick skinned Syrah, normally tricky this so far south.

Classic blueberry and mineral wrapped mulberries on the nose, this perky fresh Syrah has ripe tannins and a silky dark fruited finish. Drinking well but would be interesting to cellar some too.
