### **Would you like to attend the Congress in Brighton?**

#### **Do you want to meet a mix of senior people in a F2F interview for IRLA?**

We are offering a number of special price places at Congress for members of the Young Professionals Group to work with us to interview a select number of the delegates for the Annual Members Survey. We will be providing a short on-line training session with our survey co-ordinator to ensure complete understanding of the objectives whilst still aiming for everyone to get the best of the Congress. We are planning for 2 completed surveys from each volunteer per day.

The primary objective of the survey is for the IRLA board to obtain a health check on the direction, oversight and delivery of the principles of IRLA in what is becoming an extremely important sector and vibrant legacy market. The secondary objective of having the YPG members interview a select number of delegates is to give exposure to senior members of the market, which should enable the breaking down of barriers and create lasting relationships either through mentoring or a sounding board.

There are 4 vacancies on Monday, £175 for full day and B&B (single room) at The Grand.

There are 4 vacancies on Wednesday, £75 for seminar.
