

Information for delegates:

On Monday September 20 at 11:00, in recognition of the 20th anniversary of the devastating attack, we are presenting a film that looks at WTC 9/11 from a general public perspective and there will follow a discussion about the film itself, then a presentation and discussion regarding the re/insurance coverage and its ripples throughout the market. An insightful way to begin the 2021 Congress. [Click here](#) to sign up, limited places.

Speed Mentoring takes place from 17:30 – 18:30, again limited spaces and you can [sign up here](#).

On Tuesday September 21 at 08:30 is 'The Legacy of Covid: a discussion'. We will be holding an open discussion about how our working lives have adapted as a result of covid. As companies prepare to reintroduce office working, we want to gain insight from IRLA members as to what aspects of the enforced changes they felt were beneficial and worth protecting/encouraging as a consistent part of future working habits. [Click here](#) to sign up, limited places.

Later that day is a second opportunity to join the Speed Mentoring, 16:45 – 17:30, again limited spaces and you can [sign up here](#).

If you are staying for the Gala Dinner (see our call for action re fund raising) please do [let us know](#) of any dietary issues /requirements as soon as possible.

---

We would like to take this opportunity to remind you that connecting with us on [LinkedIn](#) will offer you the chance to keep up to date with our members' comments, posts and shared information - both at Congress and in the wider (re)insurance and legacy world. [Click here](#) to connect.
