

**IRLA YPG invite you to join them for speed mentoring at
IRLA Congress & Business Seminar 2021**

We would like to invite all YPG members attending Congress to meet experienced industry professionals in two 'speed mentoring' sessions. The sessions will run:

- Monday September 20 - 17:30-18:30 (Consort Room)
- Tuesday September 21 - 16:45-17:30 (Consort Room)

Please note, there will be different mentors at each session so attendance at both sessions is encouraged.

These sessions provide opportunities for YPG members to speak to numerous industry professionals in a series of quick-fire conversations to exchange ideas and receive insights on career development and market developments, whilst creating new relationships.

Please register your interest in advance for each session by emailing YPG committee member [Nicola Gaisford](#).

Keep in touch with our YPGs on their [LinkedIn](#) page

Registrations are open for:
