THE VOICE OF LEGACY

THANKS TO MEDICS AND JUDGES, THERE IS ALWAYS MORE TO LEARN ABOUT EL CLAIMS!

Given the prevalence of EL portfolios amongst the legacy market, it is essential for our members to keep abreast of the latest legal and medical changes and their ramifications. As ever, we are here to help you with a course that provides analysis of the latest valuable data. As the course's focus is on new developments, it is suitable for all levels of experience and knowledge.

We are well placed to advise because IRLA, through its affiliate Legacy Claims Committee, works closely with ELTO. Together we maintain a watching brief on long tail activities with the intention of transferring this knowledge to our members.

As a special offer to our members (and particularly given the important nature of this course's information to you) if you book 4 places we will give you one of them for free.

This course will be held on November 25 and will be on-demand thereafter – [click here](#) for the full programme.
