## Insurance Regulation Explained

### Course overview:

An IRLA Academy course for re/insurance and legacy professionals interested in gaining a deeper understanding of the regulatory landscape for run-off firms.

The course is suitable for any delegate that needs or wishes to understand the key regulatory drivers, emerging risks and key issues facing the legacy sector from a regulatory point of view.

Full details of this on-demand course, which will provide 3 hours of CPD training, can be found [here](#).

Please [contact us](#) to book your place.
