

THE IRLA HANDBOOK: ORDERS BEING TAKEN

The new IRLA re/insurance legacy handbook is available to order in hard copy form at £45.00 per copy with a discount for members. There is no discount for volume orders.

You can pay for your order plus post & packing, or collect your order from an address (to be confirmed) in EC3 in the near future. There has been a supply chain issue resulting in a slight delay in distribution, but we anticipate copies should be available by the end of November.

The handbook offers an introductory guide to all you need to know about the market and IRLA itself. An insight into the contents can be found [here](#).

Please [email us](#) to place your order. Invoices will be sent and once payment is received, we will post/pack your order for delivery.
