Privacy Talks

A webinar series

From the General Data Protection Regulation (GDPR) to the California Consumer Privacy Act (CCPA) – and all the other new data protection frameworks arising in the US, Asia and Latin America – navigating the global data protection landscape is a challenge for most organizations.

In this monthly webinar series, Cooley practitioners will provide attendees with practical guidance and best practices around managing data protection-related issues. We'll also keep you up to date on recent developments in the ever-evolving regulatory landscape.
