

IRLA Congress: 16-18 May 2022  
Programme release

It is our pleasure to release the first draft of the Congress 2022 programme, which can be found [here](#).

In these changing times we have given more consideration to providing quiet areas, both during the day and in the evenings. For those who do not wish to risk the city centre for entertainment, this is also being provided at the hotel.

We are also providing Congress hosts from our Young Professionals Group who will be there to answer questions and get you to where you want to be during the event itself.

There are a limited number of conference only places remaining and you can [book here](#).

Looking forward to seeing you in Brighton.
