

We are pleased to announce the following new appointments to the YPG committee:

- Sam Bignell, Riverstone International
- Joe Pearce, Barclays
- Ben Shilling, Compre Group
- Mia Stickings, PwC

The quantity and quality of applications was very high, and made voting difficult. However, the YPG committee feel that they have selected the right mix of candidates with the relevant skills sets, knowledge and enthusiasm to assist in driving the YPG forward.

We would like to thank all those who took the time to apply, please do not be deterred from applying again in the future - there will be further opportunities to join later in the year.

Members of the YPG committee will be on hand at Congress this year, and will be happy to talk to anyone interested in joining the YPG, or requiring more information - please look out for them. [Click here](#) for further information about the YPG.
