IRLA Congress 2022

Monday 16 May - morning session

Ahead of the booking ticket and brochure that each delegate will receive, here is some more detail on the programme:

Meeting rooms are open from 8:30 and delegates are welcome to come along to work alone or with clients. There are no private meeting rooms, but there is plenty of space for confidentiality to be observed.

10:00 we have our first breakout session exploring the speed, or otherwise, of claims payments. As a discussion-focused breakout we welcome all delegates to join us.

11:00 - 14:00 is our asbestos breakout. As with 2021's popular WTC session, this one will start with a film and a Q&A on the topic over lunch, followed by a presentation and discussion of the litigation history of asbestos worldwide. A really good primer for YPG and anyone who has any working involvement with asbestos.
