IRLA Congress 2022

Monday 16 May - afternoon session

Ahead of the booking ticket and brochure that each delegate will receive, here is some more detail on the programme:

14:00 Following the buffet lunch Nicola Gaisford of the YPG Committee will introduce us to the programme in the main hall, starting with a panel discussion on considerations for operational resilience. As a hot topic with the regulators, in the UK and Europe, we expect to see this to be of ongoing interest and IRLA will be running an on-demand course on this later in the year.

15:15 We will have a panel providing views on the investment and transaction landscape, with a focus on how deal structures and their funding are evolving in the face of changing regulation and a broader set of potential investors.

From 16:15 the Congress offers a meeting and quiet time period, with delegates coming together again for social activities beginning at 18:00.
