

What's going on...

IRLA Congress 2022

Tuesday 17 May - morning session

Ahead of the booking ticket and brochure that each delegate will receive, here is some more detail on the programme:

Meeting rooms are open from 8:30 and delegates are welcome to come along to work alone or with clients. There are no private meeting rooms, but there is plenty of space for confidentiality to be observed.

09:05 Liam Bedford - our Young Professional Award Winner 2021 - will introduce us to the programme in the main hall starting with a professional speaker – Mandy Hickson, an RAF pilot with an interesting career path and some good advice on success through team work.

09:45 A regular topic as a selection of legacy senior management discuss the future of the market as they see it from their company perspective. UK, Bermuda and Europe, are we the same or are our outlooks very different?

11:00 We will be recognising the Young Professional of 2022 and, a new section, saying goodbye to some of the legacy stalwarts.

11:30 Sees us exploring the US style class actions occurring globally. With the 'deep pocket' view of insurance companies will this have a knock on effect for legacy providers, draining their own resources or making new business available?

The buffet lunch break brings us all together for a catch up, or a walk on the beach!

Please [contact us](#) if you have any questions.
