### About IRLA and IRLA Asia

IRLA is the UK market body for insurance and reinsurance legacy management professionals. IRLA is recognised as the voice of the legacy management sector by a wide range of UK government and market bodies including the Financial Conduct Authority (FCA), the Prudential Regulation Authority (PRA), the Financial Services Compensation Scheme (FSCS); the Department of Work and Pensions (DWP) as well as the Employers Liability Tracing Office (ELTO). IRLA is also affiliated with several other market associations all the while working with these others to increase benefits to its members.

As in-force and legacy business develops in Asia, IRLA Asia is here to provide technical education, as well as sharing best practice around managing and transacting on legacy business and developing a voice for this sector of the market.
